I TELL YOU MORE ABOUT ME

flow is my mantra

- I am one of those who believe that things have to be worked on, but you also have to let them flow and that nothing forced lasts forever c Management in Barcelona.
- I love being on the move and that's why for a while I ventured to live on the beach (almost jungle) where I had a hostel and a pizzeria.
- I have always had the entrepreneurial bug. While working in an agency I took my first steps.
