Study Tips

Study isn't just for the night before an assignment's due or the night before an exam. It's never too early – or too late – to develop good study habits. The sooner you get into a good study groove, the easier everything will be and the more your chances of getting good marks will improve.

Here are my top tips for getting the most out of study.

Pick a place and time

Study every day

Plan your time

Discover your learning style.
